LEEFORD HEALTHCARE LTD.

Leaders in Healthcare

THE HEALTHCARE
YOU HAVE ALWAYS
DREAMED OF.....!

KNOWING LEEFORD

Leeford Group is a young, vibrant organization that is committed to deliver Quality Healthcare and Customer service beyond any comparison. We have been a preferred choice of customers for more than a decade now.

Since inception our aim is to deliver highest quality innovative products to our people. Driven by our firm foundational values of Trust, Excellence, Leadership, Customer Orientation and Team Spirit we are determined to maintain Global standards by putting the health and welfare of our customers at first.

We, at Leeford Healthcare Ltd. believe that good health is the foundation of vibrant lives, thriving communities and future progress. We strive to improve access and affordability to create healthier communities within reach of everyone, everywhere.

We are known in the Industry for our Superlative Quality and enduring Customer satisfaction. Leeford Healthcare Ltd is marching ahead passionately to rule the market, working more enthusiastically at a faster pace. We are committed to incorporate latest technologies, introduce newer products & strengthen our network further for business growth. We look ahead to develop enduring partnerships with suppliers and customers, to offer great customer service in line with best practices of industry.

Everyday more than 5000 employees across the country are blending heart and science to profoundly change the path of health for humanity.

OUR CUSTOMER CENTRIC APPROACH IS SUPPORTED BY

The infographic is a 5x3 grid of colored boxes with images and text. The boxes are connected by arrows, indicating a flow of information. The first row includes 'F&D Center' (green), '10+ Manufacturing Units' (purple), and a photo of a factory. The second row includes a photo of a team, '5000+ Employees' (teal), and a photo of a doctor. The third row includes a photo of pills, '1850+ Products' (orange), and a photo of medicine bottles. The fourth row includes a diagram of a human body, '60+ Therapeutic Category' (teal), a word cloud, and '7+ Segments' (green). The fifth row includes '21+ Dosage Forms' (pink), a photo of medical icons, '5 Divisions' (yellow), and a list of division names.

F&D Center	10+ Manufacturing Units		
	5000+ Employees		
	1850+ Products		
	60+ Therapeutic Category		
21+ Dosage Forms		5 Divisions	

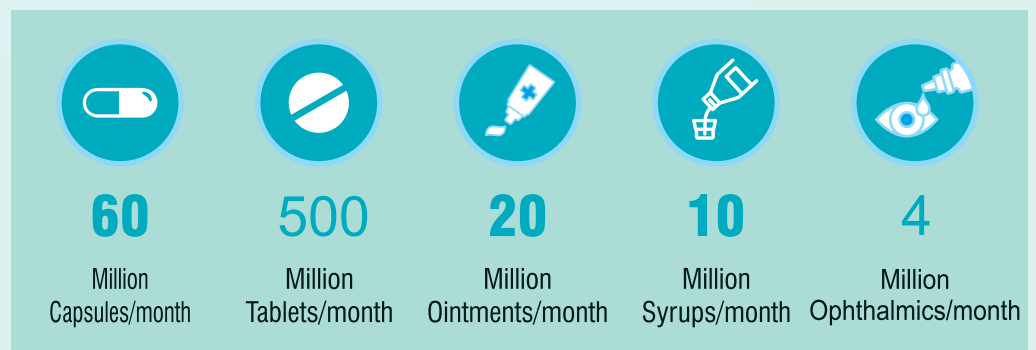

OVERVIEW: MANUFACTURING

Integrating people, processes and data increases productivity and yield of any manufacturing facility. Leeford aligns itself to fully connected, safe & operationally efficient best in class, state of art manufacturing facilities across the country. We remain committed to our focus of maintaining high quality standards and streamlining our manufacturing procedures to ensure compliance with increasing regulatory requirements. Our facilities are designed to ensure lead times that the market needs in order to deliver key milestones.

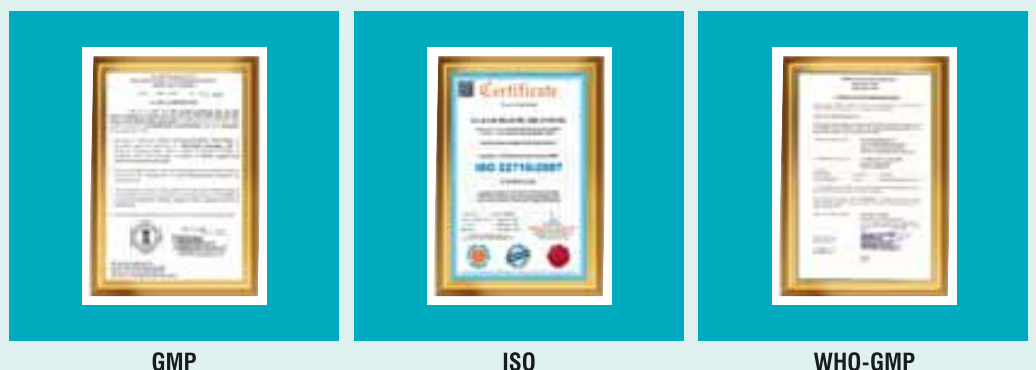

- We perform regular audits in our manufacturing facilities and regularly review and update our procedures and practices to ensure compliance with international regulatory and cGMP requirements.
- Our current manufacturing facilities are equipped to produce multiple dosage forms such as oral Solids, oral Liquids, Creams/Ointments/Gels, Lotions & Sterile Preparations.
- All of our manufacturing facilities also have waste management and environment protection systems designed to comply with laws on environmental pollution.

We have extensive manufacturing footprint that includes our own facilities and in licensed facilities which support timely product supplies. An experienced team of qualified professionals are working in integration with Quality Team to deliver best quality products for the patients.

OUR CAPACITIES

OUR ACCREDITATIONS

High Quality standards, improving accessibility, creating healthier communities & enduring Customer satisfaction is the foundation at which we stand. With zeal to excel we are determined to maintain Global standards by putting health & welfare of our customers at first.

At Leeford we place our customers at the core of whatever we do. We try our best to provide superior value by identifying their needs, optimizing our planning, developing new products and manufacturing them in best-in-class manufacturing sites. We believe in maintaining transparency in every aspect of our operations.

Every employee of Leeford lives by the principle to deliver the promise of good health to our customers. We believe in strengthening our internal processes based on customer's review so as to enhance patient compliance in our offerings.

We are committed to deliver the highest level of products & services to meet impeccable standards that are expected from a global pharmaceutical company.

ACNE

Acnetoin is a highly effective treatment for patients with acne that is causing pitting marks.

Treatment with Acnetoin should continue for at least three to four months after acne has cleared to reduce the risk of relapse.
